Request Tag: -

Subject Common Name :

CN=Robot: (Robot: robottype – Full Name)

Robot Certificate Validation

This form must accompany the identity verification form and be signed by the same RA. Only RAs specifically qualified to validate Robot certificate applications may authoritatively sign this form.

Please return this form by surface mail or facsimile to: DutchGrid CA, +31 20 592 5155

By signing this registration form, I

(name)

declare that I have read and understood the Certification Policy and Practice Statement for Robot Certificates and that I have generated the key pair pertaining to this Certificate Signing Request on a compliant secure hardware token

Brand	
Type	
Serial Number	

and I confirm the robot function to be as stated in the requested subject name, being:

<input type="radio"/> grid client	<i>keyUsage</i> Digital Signature, Key Encipherment, Data Encipherment <i>extendedKeyUsage</i> ClientAuth
<input type="radio"/> list server	<i>keyUsage</i> Digital Signature, Key Encipherment <i>extendedKeyUsage</i> emailProtection
<input type="radio"/> other:	

The RA below confirms that the Applicant has created the key pair on an approved secure hardware token, that the name in subject name of the certificate signing request bears a reasonable resemblance to the Applicants real name, and that the robot certificate is intended to be used for the purpose stated.
